Office Hours for Research Community

- Purpose

- Office Hours sessions are intended for the Research Community to bring real-life, active proposal or award information that they are processing and either entering into the Huron Grants and Agreements system or managing the information throughout the award life cycle. These users should review the training videos and other documentation provided as help guides prior to attending the office hours.

- Schedule

- Tuesdays and Wednesdays
- Starting October 22nd through as needed
- **9 - 11 am and 2 - 4 pm in Research One, Room 381**
- Team of business analysts, business owners, and Huron consultants available to help with your real-life issues.
